BRENDAN JAMES BOYD

Brendan James Boyd is a puppeteer, puppet builder and filmmaker whose nearly two decade long career has spanned from local puppet theatre productions, all the way to working on international films & television. Whether it's helping make a 16 foot tall marionette climb a 41 story building, or performing and fabricating puppets on Jim Henson's *Fraggle Rock: Back to the Rock* on Apple TV+. Brendan is also an accomplished Director for stage and film, often utilising his expertise directing primarily puppet media and live puppet performances. He co-founded Puppet Stuff Canada.

MICHAEL GORDON

Michael started piano lessons at age 11. In grade 7, he wrote his first (very simple, he's no Mozart) song on the piano. Since then, he's been writing, composing, and producing music of all kinds. Michael and Brendan (creator of Puppet Stuff Canada) had their first collaborative endeavour in 2010 when he was called in the middle of the night to produce a rip-off of the theme from *The Exorcist* for an all-puppet spoof of the film. 2 years later, they would write a full Halloween musical "Albert's Afraid"—a song from which is featured in 'The Boo! Revue'! Since 2013 they've done a bunch of fun stuff together culminating in tonight's show!

SARAH MCPHEE

Sarah McPhee is a puppet fabricator, puppeteer, illustrator and animator. A graduate of the Visual Communication Design program at the Alberta University of the Arts, Sarah's intrinsic eye for animation led her to exploring the world of puppetry. She joined Puppet Stuff Canada in 2022 as an intern and quickly became one of the full time lead fabricators and lead puppet wranglers. She made her performance debut in 2023 as The Cat in the workshop performance of *The Boo Revue!* and has since gone on to puppeteer in numerous film and live productions.

KENDRA SARGEANT

Kendra is thrilled to be making her puppet debut in *The Boo Revue!*

Kendra gained three years of specialized experience with the theatrical team: The Wilder Bunch at the Wilder Institute/Calgary Zoo, where she performed in puppet parades and puppet shows bringing many wonderful animal characters to life. Her previous theatrical credits include Nora in *Scintilla* (The Theatre), Mary/Josette in *Jethro the Runaway Puppy*, Grimhilde in Disney's *Descendants* (Storybook Theatre), Hamerr/Meanya in *Baba Yaga* (Alberta Musical Theatre Company) and Sarah Brown in *Guys and Dolls* (MacEwan University)

Kendra wants to thank her friends and family for their constant support and hopes you enjoy the show!

REESE SCOTT

Reese Scott is a multi-disciplinary puppeteer and puppet fabricator from Alberta. With a passion for puppet performance that was sparked in his youth, Reese began his professional career at the young age of 16, appearing in his first province wide television ad campaign. Since then, he has gone on to demonstrate his exceptional puppetry skills in numerous projects on stage and screen. Recently, he had the pleasure of joining the cast of Jim Henson's *Fraggle Rock: Back to the Rock*, on season 2 of the show, currently streaming on Apple TV+. Outside of puppetry, Reese is an accomplished illustrator and visual artist. Reese is Co-founder of Puppet Stuff Canada.
