

THE BOO REVUE!

PRESENTER PACKAGE

ABOUT THE SHOW

The **Boo Revue!** is a frightfully fun, family-friendly, blacklight musical show, created by **The Spine-Tingling Puppet Society** and starring puppeteers Brendan James Boyd and Reese Scott, who appear on **Jim Henson's Fraggle Rock: Back To The Rock (Apple TV+)**.

Now in its second year touring Western Canada, The Boo Revue! is a musical extravaganza in which the friendly inhabitants of a creepy old graveyard present their annual spooky cabaret.

Audiences of all ages can get ready to shiver and shake along to **spine-tingling musical numbers and be dazzled by supernatural sights!**

Each number is inspired by the creators own memories of childhood Halloween, and each year new numbers are introduced and others upgraded or rearranged to always keep the show fresh and exciting.

The Boo Revue! features a **talented team of professional puppeteers** from throughout Alberta and comes to life with colourful puppets and props sponsored by the expert fabrication team at **Puppet Stuff Canada**. The show includes ten original musical numbers composed by **Michael Gordon** (composer credit), with a book by **Brendan James Boyd** (playwright credit).

Each year, new numbers and characters are added, constantly expanding the cast of frighteningly fun friends and bringing new spooktacular delights to life. **This show is designed to be a one of a kind holiday tradition for families and audience members of all ages.**

“My family had a blast at *The Boo Revue!* The kids loved the black light and the post show meet and greet. It was spooktacular in all the best ways!”
